

December 1, 2019

**Are you ready to make a difference in the lives of those who are first responders?  
Are you willing to stand with them? If so, support the First Responders Foundation.**

Sacrifice is a way of life for first responders. They respond when a call is received, leaving their own families to aid ours. First responder families sacrifice too because their loved one responds for our loved ones. In recognition of these sacrifices, the annual “Awards of Excellence” provides multiple \$500 scholarships to high school seniors each spring. The recipients must have a parent who is a first responder and demonstrate outstanding commitment to their community. There is no better way to thank our first responders than to recognize their high school senior with a scholarship to help achieve their goals!

The First Responders Foundation provides programs to *raise awareness, support, celebrate, honor and say thank you* to our first responders, and their families, for the difficult job they do every day. They put their lives on the line to protect and serve our community and our way of life. Programming includes *mental wellbeing and training programs, equipment, and the Awards of Excellence Scholarship Program.*

**Support our community heroes and their families today!**

“My entire life I have looked up to my father who is an Omaha police officer. I would like to join the Omaha Police Department as it would be a way for me to contribute to society.”  
– Jayden, recipient of a scholarship

“The Awards of Excellence means a lot to me because my family has many who are first responders. I want them to be as proud of me as I am of them.” – Kaylee, recipient of a scholarship.

Through your financial contribution of \$75, \$500, \$1,000 or more, you will make a difference in the lives of first responders and their families. [www.firstrespondersomaha.org/donate/](http://www.firstrespondersomaha.org/donate/)

Sincerely,

Allen W. Batschelet  
Major General, U.S. Army (Ret)  
President & CEO First Responders Foundation

**P.S. While we can never do enough to show gratitude to our first responders, we can always do a little more.  
Your support will show your gratitude. Support First Responders Foundation today!**
