WITH HONOR WORKSHOP

January 25th
April 14th
July 26th
October 27th
from 6:00-8:00pm

With Honor Workshop

When a first responder's career comes to an end the residual effects of the work do not fade away easily. This workshop will include adjusting to a new identity in career/life. This two-hour (2) workshop helps provide knowledge and skills to first responders to prepare, adjust and grow when their career ends, and to do so With Honor.

Facilitated by the First Responders Support Team - FRST
