

First responders are there on your worst day. Too often we don't think to thank them until a tragedy strikes.

Becoming a Booster says "Thanks" and continues programs and events that support first responders and their families, *such as:*

- **F.R.S.T.** Emotional and Mental support for first responders and their families
- **Awards of Excellence** Providing scholarships to children of first responders who have shown outstanding commitment to community
- **Free smoke and carbon monoxide detectors** for those in need in the community
- **JAVELAN** Service dogs for first responders and Veterans
